INSTALLATION

Install the stand as described below, or if you want to mount it to a wall, please contact a professional installer. Please ensure the monitor is not plugged into the wall socket and furthermore we recommend to get another person to assist in the following task.

Attaching the stand

Step 1

Insert the neck stand into the base with the front of the neck facing left at a 45 degree angle and twist the neck stand counter-clockwise until you hear a clear sound and the neck stand is facing forward aligned with the base.

Step 2

Lay the monitor flat on the surface and stick the Neck Stand + Base assembly into the back of the monitor. Secure the top of the neck by screwing in 2 x screws.

CAUTION! Do not apply excessiv
as this may damage the screw holes.

INSTALLATION (CONT.)
